ENTERPRISE FLORIDA®

TRADE AROUND THE WORLD
A MONTHLY WEBINAR SERIES

SEPTEMBER 8 AT 10:00 AM EST

Join Enterprise Florida's international representatives around the globe for an interactive webinar series on doing business in their respective regions. This series will allow Florida exporters to learn about current or new export destinations and how to approach new distributors or partners. Learn best practices and cultural tips when conducting business around the world!

Come prepared with questions as each session will include an interactive Q & A as well as upcoming events for each region.

Explore a new country each month!

Register for our next webinar to hear from our Enterprise Florida representative based in Germany and learn about our upcoming events.
-> Destination: Germany
