Florida's Workforce Supplies Business Talent

A diverse market alongside strong training and education facilities creates one of the nation's most attractive workforces for businesses in Florida.

Florida's talent pipeline is consistently ranked among the best in the nation. Much credit for the excellent skills of the Florida workforce can be given to the state's educational institutions and unique workforce training programs. Florida is home to the nation's 3rd largest workforce, totaling more than 10 million. The state's 12 public universities, 6 major medical schools, and numerous private colleges and universities work closely with the business community to build programs that reflect the needs of Florida's industries.

#1 US state for higher education *(US World & News Report)*
