Attachment A – Scope of Services

Export Marketing Plans for New-to-Export Manufacturers and Professional Services Providers

Program Description:

The Export Marketing Plan program provides pre-qualified companies/applicants with a strategic plan for exporting customized to their specific needs and capabilities. The Plan(s) help companies effectively execute their export development strategies by targeting the most suitable overseas markets, developing successful country launch strategies, and providing overseas promotion campaign options. The Plans are completed by a network of Certified Global Business Professionals (CGBPs) located at Small Business Development Centers (SBDCs) throughout the state. The U.S. Export Assistance Centers in Florida and Enterprise Florida field offices act as ad hoc advisors. Each applicant is pre-qualified jointly by the CGBP and EFI’s local trade representative based on criteria established together by Enterprise Florida and the FSBDC Network. The program is promoted by Enterprise Florida, U.S. Export Assistance Centers in Florida, Florida Small Business Development Centers, the Manufacturer’s Association of Florida, the Florida Chamber of Commerce and other trade promotion agencies.

Deliverables / Timeline / Costs:

The total cost for preparation and delivery of a company-specific Export Market Plan is $4,000.00. Each company will pay the local SBDC $500.00 towards the cost of the Plan when the company signs the Acknowledgment Form provided by the CGBP at the beginning of the process. Enterprise Florida will use Florida Export Diversification and Expansion funds to pay the Contractor the $3,500.00 balance for each Plan. Upon completion of each Export Marketing Plan, the relevant SBDC will forward (electronically) to Contractor and FSBDCN a final copy of the $500.00 check paid by the company. Contractor will forward the documents and an invoice for $3,500.00 to EFI.

A total of twenty-eight (28) Export Marketing Plans for a total cost to EFI not to exceed $98,000.00 will be completed during the term of this contract.
