Enterprise Florida Standard Contract Terms & Agreements

1. This Agreement may not be assigned. This Agreement shall bind the heirs, successors, and permitted assigns of the parties. Upon being provided written notice from EFI, Contractor shall not object to any of EFI's assignment, or transfer of its rights, duties, or obligations under this Agreement to a governmental agency in the State of Florida.

2. EFI may terminate this Agreement for its convenience, in whole or in part at any time by providing written notice to Contractor. EFI may terminate this Agreement for cause at any time by providing written notice to Contractor.

A termination for cause may occur due to (i) Contractor's willful misconduct or gross negligence; or (ii) Contractor's conscious disregard of its obligations hereunder or of any other duties mutually agreed upon; or (iii) intentional failure to timely produce required deliverables; or (iv) any other reason provided herein. In the event that EFI terminates this Agreement for cause or default and said termination is found to be wrongful by a court of competent jurisdiction, the termination shall be treated as one for convenience.

3. In the event of termination, EFI's sole obligation and liability to Contractor, if any, shall be to pay Contractor that portion of the expenses allowed under this Agreement that were incurred prior to the effective date of termination and unable to be reasonably cancelled. Lost profits, consequential damages, special damages, and costs incurred in preparing a proposal or otherwise incurred in obtaining this contract or award may not be recovered.

4. The acceptance of final payment under this Agreement, or the acceptance of final payment upon early termination hereof, shall constitute full and complete release of EFI by Contractor from any and all claims, demands, and courses of action whatsoever which Contractor may have against EFI.

If Contractor fails to meet and comply with the activities/deliverables established in this Agreement or to make appropriate progress on the activities and/or towards the deliverables and they are not resolved within two weeks of notification, the contract manager may approve a reduced payment, request Contractor to redo the work, or terminate this Agreement.

Contractor agrees to comply with the requirements of section 448.095, Florida Statutes, and to register with and use the E-Verify system to verify the work authorization status of all newly hired employees and if entering into a contract with any subcontractor to further the objectives of this Agreement to require the subcontractor to provide Contractor with an affidavit stating that the subcontractor does not employ, contract with or subcontract with

an unauthorized alien. Knowing violation of this provision shall be cause for unilateral cancellation of this Agreement by EFI.

If EFI determines that Contractor has submitted a false certification, EFI will provide written notice to Contractor. Unless Contractor demonstrates in writing, within 90 calendar days of receipt of the notice, that EFI's determination of false certification was made in error, EFI shall bring a civil action against Contractor. If EFI's determination is upheld, a civil penalty equal to the greater of \$2 million or twice the amount of this Agreement shall be imposed on Contractor, and Contractor will be ineligible to bid on any Agreement with a Florida agency or local governmental entity for three years after the date of EFI's determination of false certification by Contractor. In the event that federal law ceases to authorize the States to adopt and enforce the contracting prohibition identified herein, this provision shall be null and void.

19. EFI does not endorse any contractor, commodity, or service, and this Agreement or the end product may not be used to imply any such endorsement.

20. The terms and provisions of this Agreement constitute the entire agreement between the parties hereto with respect to the subject matter of this Agreement, and shall supersede all previous communications, representations,

If Contractor transfers all public records to the public agency upon completion of the contract, Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to EFI, upon request from the EFI's custodian of public records, in a format that is compatible with the information technology systems of EFI.

e. Pursuant to section 288.901(1)(b), Florida Statutes, Contractor acknowledges that the Legislature has determined it is in the public interest and reflects the state's public policy that EFI operate in the most open and accessible manner consistent with its public purposes. To this end, EFI and its divisions, boards, and advisory councils, or similar entities created or managed by EFI, are subject to the provisions of chapter 119 relating to public records and those provisions of chapter 286 relating to public meetings and records.

If EFI does not possess a record requested through a public records request and the record is one that is in Contractor's possession, EFI shall immediately notify Contractor of the request, and Contractor must provide the records to EFI or allow the records to be inspected or copied within a reasonable time.

g. If Contractor provides records to EFI that contain "proprietary confidential business information" as defined in section 288.075, Florida Statutes, or "trade secrets" as defined in section 688.002, Florida Statutes, such information should be clearly marked as such and a redacted version of such record should also be provided to EFI.
