Welcome to Florida!

As Governor and a veteran, I want to welcome you to the Sunshine State and thank you for your military service. My family and I understand the great sacrifice of those who serve our state and country both at home and abroad, and as you perform your military service, the First Lady and I want to support you and your family.

Our state is blessed to have 20 active duty military installations and great training and testing ranges. In fact, the military is the second leading driver of our economy, accounting for $84.9 billion in economic impact and over 800,000 jobs.

Since I took office in January, I have made it a priority to maintain Florida’s reputation as the most military-friendly state in the Nation. For example, my administration has developed the Governor’s Initiative on Lawyers Assisting Warriors (GI LAW) program. Through this program, our military men and women can receive pro bono services from Florida’s leading law firms on a variety of civil matters. I am focused on developing new ways to support our military like GI LAW and will continue to work with the Legislature to pass legislation that benefits military service members and their families.

This Florida Military-Friendly Guide contains helpful information on the many laws, programs and benefits that the state of Florida has implemented to support and assist military members and their families. Enterprise Florida and organizations like the Florida Defense Support Task Force and Florida Defense Alliance are always working to expand Florida’s military advantages to ensure military members and their families feel welcomed and are successful during their time in Florida.

Please know we are forever grateful for your service and appreciate the sacrifices you and your family make to defend our freedom.

Sincerely,

Ron DeSantis
Governor

1. **Protection Against Deceptive and Unfair Trade Practices**

Provides military service members and their family members the same heightened protections afforded to senior citizens and persons with disabilities against deceptive or unfair trade practices; penalizes a person who willfully victimizes a military service member or family member. *(F.S. 501.2077)*

2. **Protection Against Unfair Insurance Practices**

Protects active military service and their covered dependents from unfair practices in certain rate increases in motor vehicle insurance. Provides protection from motor vehicle insurance premium increases or reinstatement fees for new policies. Active military personnel are to be considered maintaining continuous coverage for purposes of determining premium rates. *(F.S. 626.9541)*

3. **Protection Against Cancellation of Health Insurance**

Any health insurance policy, certificate, or evidence of health coverage which provides coverage to a member of the Florida National Guard, or a member of any branch of the United States military reserves who is a resident of this state, called to active duty or state active duty, must continue all coverages that were in effect for the person, or the person’s dependents covered by the same policy, at the premium in effect for all insured under the same contract, unless the employee or insured requests coverage changes that might alter the premium he or she was paying prior to such activation during the time he or she serves on active duty. Additionally, it must reinstate the coverage for any such person who elects not to continue it while on active duty or state active duty, at the person’s request upon return from active duty or state active duty, without a waiting period or disqualification for any condition that existed at the time he or she was called to active duty or state active duty. Such reinstatement must be requested within 30 days after returning to work with the same employer or within 60 days if the policy is an individual policy. *(F.S. 250.341)*

4. **Protection for Termination of Rental Agreements**

Service members who terminate residential leases due to military duty will be protected under the following specific provisions:

- **No Retaliation.** No landlord may sue or otherwise attempt to retaliate against a tenant who terminated a lease because of military duties.
- **No Discrimination.** Landlords may not discriminate against military personnel. Discrimination on the basis of military status creates a cause of action against the landlord for civil damages.
- **Expansion of Criteria which allow a Service Member to Terminate a Lease.** Service members may terminate their leases within the purview of the statute when the service member:
• Moves permanently 35 or more miles from the rental premises;
• Is prematurely or involuntarily discharged or released from Active Duty;
• Is released from Active Duty when the leased premises is at least 35 miles from the home of record;
• Is required or eligible to move into government quarters; and/or
• Moves temporarily for over 60 days to a location which is 35 or more miles from the rental premises.

• **The Liquidated Damages Clause is No Longer Available in the Case of Military Termination of Lease.**

Removes provisions requiring the payment of liquidated damages to the landlord under certain circumstances upon termination of a rental agreement. *(F.S. 83.682)*

5. **Protection for Termination of Telecommunications Service**

Service members may now terminate their telecommunications (i.e. cell phone) service contracts by providing 30 days’ notice to the service provider if any of the following occur: 1) The service member moves, either permanently or on temporary duty for over 60 days, outside the area which the service provider provides telecommunications service; 2) The service member is discharged or released from duty and either returns to an area not serviced by the telecommunications service provider or the service member’s home of record is not serviced by the provider; and/or 3) The service members orders require a move outside the continental United States. Upon such termination the service member is only liable for the amount due under the contract for the period up to the effective date (which is the end of the 30-day notice period). *(F.S. 364.195)*

6. **Protection for Termination of Motor Vehicle Leasing**

Service members may terminate motor vehicle leases by providing 30 days written notice to the lessor if either the service member is required to move outside the continental United States; or the service member receives orders for a period exceeding 60 days for duty outside the continental United States or for a temporary change of station. The service member is then liable for only the amount due under the contract to the end of the 30-day notice period. The statute specifically states that the lessee is not liable for any other fee due to the early termination of the contract. Further, the protection may not be waived or modified by the contract between the service member and the lessor under any circumstances. *(F.S. 520.14)*

7. **Protection for Termination of Mobile Home and Vehicle Registration**

Any service member, whose mobile home registration expired while he or she was serving on active duty or state active duty, shall not be charged with a violation of Florida Statute 320.07 if, at the time of the offense, the service member was serving on active duty or state active duty 35 miles or more from the mobile home. The service member must present to the department either a copy of the official military orders or a written verification signed by the service member’s commanding officer to receive a waiver of charges. *(F.S. 320.07)*

8. **Protection for Cancellation of Motor Vehicle Insurance**

An Insurer must refund 100 percent of the unearned premium if an insured service member cancels due to either a call to Active Duty or transfer to a location where the insurance is not required. There is language in the statute preserving claims originating prior to the effective date of cancellation. If the insurer cancels, the insurer must refund 100 percent of the unearned premium. Cancellation is without prejudice to any claim originating prior to the effective date of the cancellation. For purposes of this section, unearned premiums must be computed on a pro rata basis. *(F.S. 627.7283)*
9. Relief for Payment of Initial Binder – Motor Vehicle Insurance
Service members and dependents are not required to pay two month’s premium on motor vehicle insurance normally required of citizens of Florida upon initial issuance of insurance. (F.S. 627.7295)

10. Protection Against Insurance Rate Increases and Refusal of Policy Renewals for Persons in Military Service
Prohibits insurers from charging an increased premium for reinstating a motor vehicle insurance policy that was canceled or suspended by the insured solely for the reason that he or she was transferred out of this state while serving in the United States Armed Forces or on active duty in the National Guard or United States Armed Forces Reserve. It is also prohibits an insurer from charging an increased premium for a new motor vehicle insurance policy if the applicant for coverage or his or her covered dependents were previously insured with a different insurer and canceled that policy solely for the reason that he or she was transferred out of this state while serving in the United States Armed Forces or on active duty in the National Guard or United States Armed Forces Reserve. For purposes of determining premiums, an insurer shall consider such persons as having maintained continuous coverage. (F.S. 626.9541)

No insurer shall fail to renew a policy for reasons based entirely on the sex, occupation, marital status, residence, military service, or age of the insured, or on the principal place of garaging the insured vehicle in this state, or based on any combination of such factors. No insurer shall fail to renew a policy for reasons based on the race, color, creed, or national origin of the insured or for any reason which is arbitrary or capricious. (F.S. 627.728)

11. Protection for Termination to Purchase Real Property
Service members may terminate agreements to purchase realty prior to closing if any of the following occur: 1) The service member has a permanent change of station which is 35 or more miles from the location of the property; 2) The service member is released from Active Duty and the property is more than 35 miles from the service member’s home of record; 3) The service member receives orders requiring him or her to move into government quarters or does, in fact, move into government quarters; or 4) The service member receives orders in excess of 90 days which involve a temporary change of station which is 35 miles or more from the property. The seller, mortgagor and/or their agents must refund any funds provided by the service member. Further, no other fees may be assessed against the service member. These protections cannot be waived or modified. (F.S. 689.27)

12. Protection for Sale, Foreclosure or Seizure of Property for Nonpayment
Service members are protected against sale, foreclosure, or seizure of property for nonpayment of any sum due under any obligation, or for breach of the terms of such obligation. These are not valid if made during the period of state active duty or active duty or within 30 days thereafter, unless upon an order previously granted by the court and a return made to and approved by the court. This protection applies only to obligations secured by a mortgage, trust deed, or other security in the nature of a mortgage upon real or personal property owned by a person in state active duty or active duty at the commencement of the period of state active service and still owed by her or him, which obligation originated prior to such person’s period of state active service. (F.S. 250.5205)
13. Protection of Late Voting Registration

Provides for deployed service members to be allowed late registration for voting. An individual or accompanying family member who has been discharged or separated from the uniformed services or the United States Merchant Marine, has returned from a military deployment or activation, or has separated from employment outside the territorial limits of the United States, after the book-closing date for an election pursuant to s. 97.055 and who is otherwise qualified may register to vote in such election until 5 p.m. on the Friday before that election. *(F.S. 97.055)*

14. Protection for Absentee Voting

Authorizes absent uniformed services voters and overseas voters to use the federal write-in absentee ballot in any state or local election; prohibiting the supervisor of elections from canvassing federal write-in absentee ballots from overseas voters in certain elections until 10 days after the date of the election. This bill eliminates the restriction that a Federal Write-In Absentee Ballot (FWAB) can only be used for state and local elections involving two or more candidates. This allows absent uniformed services and overseas voters to use a FWAB as a “back-up” ballot for all federal, state, and local elections. The law also delays the canvassing of a FWAB until 10 days after the presidential preference primary or general election. This will allow the voter’s official absentee ballot to be canvassed (in lieu of a FWAB) if it is received during that 10-day window. *(F.S. 101.6952)*

15. Protection of Identifying Information of Service Members

The law provides a public records exemption for military service members and veterans, and their family members. Specifically, the bill creates a public records exemption for the identification and location information of current or former active duty service members of the United States Armed Forces, their reserve components, or the National Guard who served after September 11, 2001, and their spouses and dependents. In order for the exemption to apply, the current or former service member must submit to the custodial agency a written request and a written statement that reasonable efforts had been made to protect the identification and location information from being accessible through other means available to the public. *(F.S. 119.071)*

16. Protection of Military Housing from Ad Valorem Taxation

Recognizes in statute that leaseholds and improvements constructed and used to provide housing pursuant to the federal Military Housing Privatization Initiative (Housing Initiative) on land owned by the federal government are exempt from ad valorem taxation. Florida law provides an exemption from ad valorem taxation for property owned by the United States. This exemption specifically applies to leasehold interests in property owned by the United States government when the lessee serves or performs a governmental, municipal or public purpose or function. Federal law also recognizes the immunity of property of the United States from ad valorem taxation. *(F.S. 196.199)*

17. Protection of Community Planning and Liaison Officers (CPLOs) and Representatives of Military Installations Serving on Local Planning or Zoning Boards

Provides for open exchange of information between local governments and military installations. To facilitate this exchange, a representative of a military installation shall be included as an ex-officio, non-voting member of the local government’s land planning or zoning board and is not required to file a statement of financial interest solely due to his/her service on board. *(F.S. 163.3175)*
18. Protection Against Predatory Lenders
This law authorizes the Office of Financial Regulation to deny a license or take disciplinary action against a person who violates the federal Military Lending Act (MLA). The MLA provided greater consumer protections for service members and their family members in connection with a broad range of consumer credit transactions including consumer finance loans, payday loans, title loans, overdraft lines of credit, smaller dollar loans and credit card accounts. Effective Date: October 3, 2016. (F.S. 516.07)

19. Protection to Expedite Processing of Rental Agreements
Provides that a landlord, a condominium association, a cooperative association or a home owner’s association is required to process a rental application from a military service member within seven days of submission, and the landlord must provide to the service member a response in writing of the approval or denial of their application and, if denied, the reason for denial. Should the landlord not provide a timely denial of the rental application, the landlord must lease the rental unit to the service member if all other terms of the application and lease are met. Effective Date: October 1, 2016. (F.S. 83.683)

45. Health Professional Licensure

The Florida Department of Health is committed to serving members of the United States Armed Forces, veterans and their families. The Department is proud that over 1.5 million veterans call Florida home, and our continued goal is to make Florida the most veteran-friendly state in the nation. Military veterans and their families face many challenges. One service the Department offers is the Florida Veterans Application for Licensure Online Response process (VALOR), which provides expedited licensing for honorably discharged veterans and their spouses seeking licensure in most health care professions. Veterans and spouses who apply through the VALOR process receive a waiver of most licensing fees. For information on the program go to www.flhealthsource.gov/valor#veterans.

Several programs and reciprocal licensure arrangements for healthcare professionals are covered under Florida law including:

- Florida provides that health professional licenses issued to any member of the Armed Forces of the United States be kept in good standing without registering, paying dues or fees, or performing any other act on his or her part so long as he or she is a member of the Armed Forces of the United States on active duty and for a period of six months after discharge. (F.S. 456.024) (F.S. 401.271) (F.S. 468.309)

- A person who serves or has served as a health care practitioner in the U.S. Armed Forces is eligible for licensure in Florida. The applicable department will waive the application fee, licensure fee and unlicensed activity fee for these applicants. (F.S. 459.00761)

- Florida exempts the spouse of member of the Armed Forces of the United States from licensure renewal provisions but only in cases of absence from the state because of their spouse’s duties with the Armed Forces. (F.S. 456.024) (F.S. 401.271) (F.S. 468.309)

- The Agency for Health Care Administration has special consideration for spouses of active duty military that allows them to enroll in Florida Medicaid as a provider. The Department of Health issues a temporary medical license with the status: Temporary Military Active – the licensed practitioner has a spouse serving in the Armed Forces of the United States and is authorized to practice his/her profession in the state of Florida for a period of 12 months. Florida also provides alternative eligibility criteria for military members, and their spouses, seeking licensure as a health care practitioner. Allows military health care practitioners who are practicing under a military platform, which is a training agreement with a non military health care provider, to be issued a temporary certificate to practice in this state. Provides that a spouse of an active duty member of the Armed Forces of the United States who is on active duty to be issued a temporary license to practice in Florida. The applicant’s spouse must be assigned to a duty station in Florida. The applicant must hold a valid license for the profession in another state, the District of Columbia, or a possession...
or territory of the United States. The temporary license is valid for 12 months after the date of issuance and is non-renewable. The physician however must have served as a physician in the United States Armed Forces for at least 10 years and received an honorable discharge from military service. (F.S. 458.315)

It is designed to attract military service members and veterans to Florida. OPERATION DISPATCH cuts out redundant training so military-trained firefighters take 40 hours of training specific to Florida standards. OPERATION DISPATCH allows these dedicated men and women to continue meaningful and long-lasting careers in the Florida fire service industry. Through partnerships forged with the Florida Departments of Veterans’ and Military Affairs, OPERATION DISPATCH reduces the costs associated with the Florida-specific training and testing to military firefighters. The program also allows participants to take the certification exam in a more timely fashion than the regularly-scheduled quarterly administrations, which upon successful completion helps newly-certified firefighters enter Florida’s workforce faster. Florida public schools must accept military permanent change of station (PCS) orders that relocate a military
family to a local military installation as proof of residency for all public school authorized programs at the school. This law also provides priority placement in gifted, special needs and voucher programs for the children of military members. Additionally, provides for smooth transition for children of military families coming into Florida by improving timely transfer of records, establishing procedures to lessen the impact of moves, providing services for transferring students, and giving them first preference in special academic programs. The Department of Education shall assist in the transition by promoting practices which foster access to extracurricular programs, establishing procedures to lessen the adverse impact of moves from the end of the junior year as well as before and during the senior year, encouraging or continuing partnerships between the military base and the school system, providing services for transitioning students when applying to and finding funding for postsecondary study, and providing other assistance as identified by department, school, and military personnel. Finally, dependent children of active-duty military personnel who otherwise meet the eligibility criteria for special academic programs offered through public schools shall be given first preference for admission to such programs even if the program is being offered through a public school other than the school to which the student would generally be assigned and the school at which the program is being offered has reached its maximum enrollment. (F.S. 1003.05)

66. Exit Exam Graduation Requirements for High School Seniors of Military Families

(F.S 1000.36, Article VII Section B)

67. In-State College Tuition Rates for Military Family Members

69. Support to Family Members Codified in Florida law

Florida extends Service Members’ Civil Relief Act (SCRA) to include early termination of auto leases, cell phone agreements and other commonly leased or contracted items listed in this handbook. Florida Law incorporates, by reference, both the SCRA and the Uniformed Services Employment and Reemployment Rights Act (USERRA). The SCRA is a federal law which addresses many of the same issues as Florida Law. (F.S. 250.82) USERRA (F.S. 115.15) is the federal law which affords employment protections and rights to service members.

70. Assistance for Dependents of Service Members on Active Duty

(F.S. 322.031)

75. Persons with Disabilities – Medicaid Home and Community-Based Waivers

76. Military and Veterans Assistance Program
The Military and Veterans Assistance Program (“MVAP”) is an initiative within the Florida Office of the Attorney General’s Consumer Protection Division, which seeks to serve the unique needs of Florida’s military service members, reservists, and veterans. The program was developed to address several concerns identified while speaking to military members and veterans across the state. Members of the MVAP team work directly with military service members and veterans who have been targeted, or their representatives, to help resolve their consumer-protection-related issues or facilitate contact with other legal assistance if needed and as appropriate.

MVAP Includes:

- **Outreach and Education:** We will partner with military and veteran leadership statewide to provide education and information regarding emerging scams targeting service members, reservists, and veterans and ways in which our program can assist this community.

- **Complaint Resolution:** A dedicated team will work to address individual complaints by facilitating contact between the complaining service member, reservist, or veteran and the related business. Military service members, reservists, dependents, base representatives, veterans, veteran services representatives, and state or federal agencies can file a complaint at www.myfloridalegal.com/MVAP.

- **Enforcement:** The MVAP team will monitor trends in complaints received and pursue consumer protection enforcement actions where appropriate.

- **Outside Referral:** For matters not within our consumer protection enforcement jurisdiction, our team will connect eligible service members, reservists, and veterans with legal aid offices or other agencies if needed and as appropriate.

- **Improved Communication:** The MVAP team will work to encourage open communication between local, state, and federal partners to help ensure complaints are being handled by the correct organization and new and relevant information is shared.

77. Governor DeSantis’ GI LAW Initiative to Assist Florida’s Military

The Governor’s Initiative on Lawyers Assisting Warriors (GI LAW) draws from the talent of Florida’s leading law firms to provide pro bono legal services for military members. This program allows our state’s men and women in uniform to receive local counsel in a variety of civil matters, including actions in local courts.

Participating attorneys will dedicate time and expertise to ensure a prompt and fair resolution of legal matters. Those interested in obtaining pro bono legal services should go to the web site at: www.enterpriseflorida.com/floridadeference/lawyers-assisting-warriors/ and fill out a Legal Assistance Request Form and submit it through their appropriate Judge Advocate General or civilian military attorney’s office.

78. Deployed Parent Custody and Visitation

This law creates the “Uniform Deployed Parents Custody and Visitation Act” which complies with and mirrors federal law of the same name. This bill provides protections for deployed service members in regard to custody of children. It requires parents to communicate about custody and visitation issues as soon as possible after a service member learns of deployment and establishes procedures for parents who agree to a custody arrangement during deployment to resolve these issues by an out-of-court agreement. Further, it allows a deployed parent to grant care-taking authority to a non-parent with whom the child has a close positive relationship of substantial duration and depth. In the absence of an agreement, the bill allows for expedited resolution of a custody arrangement in court with a temporary custody order. The bill prohibits the entry of a permanent custody order before or during deployment without the service member’s consent. The bill provides for termination of the temporary custody arrangement following the service member’s return from deployment. The bill also repeals the section of law that currently addresses temporary time-sharing modification and child support modification due to military service. (F.S. 61.703-61.773)
79. Veterans Treatment Courts

The T. Patt Maney Veterans’ Treatment Act authorizes a veterans court with the purpose of addressing the substance abuse and mental health needs of veterans – including active duty service members – within the criminal justice system. Veterans court, modeled after drug court, serves justice-involved veterans with a military-related substance use and/or mental health disorder including traumatic brain injury (TBI) and post-traumatic stress disorder (PTSD). Veterans court requires the participant to appear regularly before the court, attend mandatory treatment sessions, and submit to frequent testing for substance use. More information on Veterans courts can be found in the Veterans Resource Guide at www.flcourts.org/core/fileparse.php/266/urlt/VETERANSRESOURCEGUIDE.pdf (F.S. 394.47891)

The **Florida Defense Support Task Force** was established in 2011 by Florida Statute 288.987. The task force is comprised of the Governor or his designee, and four members each appointed by the Governor, the President of the Florida Senate, and the Speaker of the Florida House of Representatives.

**Florida Defense Support Task Force Mission:**

- To make recommendations to preserve and protect military installations
- To support the state’s position in research and development related to or arising from military missions and contracting
- To improve the state’s military friendly environment for service members, military dependents, military retirees and businesses that bring military and base-related jobs to the state
The Florida Military Complex and The Military Logic for Protecting the Eastern Gulf of Mexico from Oil Exploration and Drilling

• The Florida Military Complex is comprised of the Eastern Gulf of Mexico Test and Training Range and is linked to the inland ranges at Pinecastle and Avon Park. The complex includes the National Center for Simulation extending this testing and training into the virtual realm.

• The Complex connects every range and installation in air, land, water, sub-surface and space.

• The Gulf Range is a unique national resource and vital to the National Defense Strategy. Larger than all other training ranges inside the continental U.S. combined, it stretches from the Florida Panhandle to Key West and covers most of the eastern Gulf of Mexico.

• The Gulf Range directly supports NAS Pensacola, NAS Whiting Field, Hurlburt Field, Duke Field, Eglin AFB, NSA Panama City, Tyndall AFB, MacDill AFB and NAS Key West missions while also hosting live fire weapons and operational testing for visiting Air Force, Navy and Marine units from around the world.

• Most of Florida’s bases are located here because of the good flying weather and proximity to the Gulf Range.

• Emerging technologies such as hypersonics, 5th and 6th generation fighters and weapons, and advanced sub-surface systems will require more space and the Gulf Range is the only test range in the U.S large enough for a full-range test flight of a hypersonic missile fired from Key West and programmed to land on Eglin AFB.

• The areas east of the 86° 41’ line in the Gulf of Mexico (commonly known as the “Military Mission Line” or MML) are especially critical due to the number and diversity of military testing and training activities conducted there now or planned for the near future.

• In those areas east of the MML, drilling structures and associated development would pose hazards and be incompatible with military activities such as missile flights, low-flying aircraft, weapons testing, and training. Oil exploration there would jeopardize the military’s ability to test more sophisticated and longer distance weapons critical to national security and severely reduce Florida’s appeal to keep military bases.

• The current moratorium on oil exploration and drilling expires in 2022. If Congress does not act to extend the moratorium, this precious national treasure in the Gulf will be lost and our military readiness will be severely diminished.
GOVERNOR DESANTIS’ GI LAW INITIATIVE

Governor DeSantis is committed to ensuring our service members have the support of the state’s legal community and its best legal minds. To achieve this goal, the Governor’s Initiative on Lawyers Assisting Warriors (GI LAW) draws from the talent of Florida’s leading law firms to provide pro bono services for military members. Through this initiative, our state’s men and women in uniform receive local counsel in a variety of civil matters, including actions in local courts. Participating attorneys dedicate time and expertise to ensure a prompt and fair resolution of legal matters.

This program is a collaboration between the Governor, the Department of Military Affairs, the Florida Department of Veterans’ Affairs and Enterprise Florida, Inc.
