Florida Defense Industry Economic Impact Analysis  
Request For Proposal (RFP)  
April 1, 2017

BACKGROUND
The Florida Defense Support Task Force (FDSTF) was established in 2011 under Florida Statute 288.987 with the mission to make recommendations to preserve, protect and enhance Florida’s military installations, support the state’s position in research and development related to or arising out of military missions and contracting, and to improve the state’s military friendly environment for service members, military dependents, military retirees, and business that bring military and base-related jobs to the state.

Enterprise Florida, Inc. (EFI), the public-private partnership responsible for leading Florida’s statewide economic development efforts, is providing administrative and logistical support for the Task Force.

The defense industry plays a critical role in the Florida economy. Defense activity in Florida has long been a major source of significant military operations and training, employment for state residents, sales revenue for companies, and tax revenues for state and local governments.

Enterprise Florida, Inc. (EFI) is requesting proposals for the services of a qualified contractor to conduct a new Florida Defense Industry Economic Impact Analysis and create a 2017 Florida Defense Factbook. The study was previously completed by CareerSource Florida in September 2015 utilizing 2014 Department of Defense (DoD) data which is no longer current. 

STATEMENT OF WORK:
Conduct an Economic Impact analysis of Florida’s Military and Defense industry. Provide an enhanced statewide picture of the economic impact of all active military installations and defense industry in Florida including the Florida National Guard and the United States Coast Guard.

- Develop State, Regional and Local Impact Assessment.
  - Overall analysis used to calculate the total economic impact by installation, economic sector and geographical area must contain:
    - Total payroll (Military and Civilian, National Guard and Coast Guard, by salary level).
    - Non-payroll local expenditures (e.g. materials, supplies) by type.
    - Total value of all Military, National Guard and Coast Guard contracts (by type of contract).
    - Estimated inflows to Defense, National Guard and Coast Guard contractors (domestic and international).
    - Value of retiree spending (from Military, Coast Guard and National Guard).
    - Value of student trainee payrolls and spending.
    - Value of Military Reserve spending flows.
    - Value of Military educational and medical spending.
    - Estimated value of Military and Defense spending due to technology transfers.

- Complete defense economic impact study, and design and publish a 2017 Florida Defense Factbook.
    - Three draft copies (hard) for interim review and comment.
    - Three final copies (hard).
• Electronic files of draft and final study, as well as a draft Factbook to be reviewed and approved by the Vice President, Military and Defense Programs.
• Factbook printing (1,200 books)
  o Design and produce an educational and informational brochure package.
• In-person presentations to the Florida Defense Support Task Force and other appropriate audiences.
