

SPACE-COMM EXPO

7-8 SEPTEMBER 2022

FARNBOROUGH, UK

JOIN THE LEADERS IN SPACE AT SPACE-COMM EXPO, A TRADE EXHIBITION FOCUSED ON THE COMMERCIAL FUTURE OF SPACE FOR BUSINESS, DEFENSE AND AEROSPACE

Supported, and in partnership with key industry associations and influential bodies, this exciting event will showcase the manufacturing supply chain for products, services and solutions supplying commercial enterprises and developments in space.

Taking place at the Farnborough International Exhibition and Conference Centre, the Home of Pioneering Spirit, Space-Comm Expo will bring the whole sector together for two days of business and networking.

STATE OF FLORIDA PAVILION

Enterprise Florida Inc. is organizing a shared pavilion for Florida incorporated companies at Space-Comm Expo. As space within this pavilion is limited, we encourage you to act quickly to reserve your space alongside fellow interested Florida aerospace and defense firms.

SHOW FEATURES

CONFERENCE PROGRAMME

Running alongside the exhibition over both days, four dedicated theatres will be the focus of topical debate, product-led showcase and collaboration on hot topics and technology that is shaping the industry.

BUSINESS OPPORTUNITIES

Bypass gatekeepers and meet face-to-face with decision makers with a range of business development opportunities at Space-Comm Expo. Participate in the Meet the Buyer programme to meet hand-selected buyers for your business, discover innovative new businesses in the Start-Up Zone and engage with your peers as part of a private Roundtable session.

DEMONSTRATIONS

The Demo Laboratory located on the main exhibition show floor, will feature a mini amphitheatre set up so that products and technology can be demonstrated to a number of visitors to learn about and engage with the latest innovations in space technology.

PARTICIPATION OFFER

PACKAGE
